Subject: Abatement of Notice of Potential Non-Compliance & Division Directive,
Lakeview Rock Products, Lakeview Quarry, M/035/020), Salt Lake County,
Utah

Dear Mr. Larson:

On October 1, 2003, you attended a meeting with the Associate Director in response to the Division's September 19, 2003, Notice of Non-Compliance letter. Following the meeting the Division issued a Division Directive instructing you as to the items that would need to be completed to abate the Non-Compliance.

This directive entailed the submittal of a specific mining & reclamation plan for your quarry and the posting of an interim bond. On November 28, 2003 an interim bond in the amount of \$100,000 was posted and on January 14, 2004 a mining and reclamation plan was received.

The Potential Non-Compliance and Division Directive is satisfied; therefore, this Potential Non-Compliance and Division Directive is hereby abated.

Please keep us informed of the status of your Lakeview Quarry. If you have any remaining questions regarding this letter, please contact me at (801) 538-5286, or Doug Jensen at 538-5382. Thank you for taking the necessary action to abate the Potential Non-Compliance.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
